

COMPLETE CHILD CARE COURSE – LEVEL 3 AWARD

As any parent knows, the early years of a child's life are absolutely crucial in his or her future health and happiness. Whether you simply wish to enjoy a rewarding career in childcare, or have ambitions to eventually run your own childcare business, this can provide the first step to a highly worthwhile and fulfilling career.

On successful completion of the course you will receive a recognised level 3 award (Comparable to working at A Level or NVQ Level 3).

This course has been written to meet the **Every Child Matters** Government - www.everychildmatters.gov.uk, and **The Early Years Foundation Stage** standards.

This course is an ideal introduction to the world of Child Care. However, we must point out the course in itself will not give the qualification you need to work in this sector.

Please be aware that this course provides all the underpinning knowledge to work with children, but you will need a course such as an NVQ level 3 as a minimum to work with children.
