

COMPTIA COURSE BUNDLE

The **CompTIA Course Bundle** contains both A+ Certification and Network+ Certification courses and gives you the opportunity to complete both courses for a saving of £50.00

The **A+ Certification Course** is all you need to learn the valuable skills, knowledge and technical recognition required to apply for your A+ Examinations that will open the door to better career opportunities.

The **Network+ Certification Course** covers the Latest 2009 CompTIA Network+ Certification syllabus. CompTIA Network+ certification ensures that the successful candidate has the important knowledge and skills necessary to manage, maintain, troubleshoot, install, operate and configure basic network infrastructure, describe networking technologies, basic design principles, and adhere to wiring standards and use testing tools.

Pre-Requirements:

There are no particular entry requirements for the course but we advise that all students have a good general knowledge of using PCs, the Windows operating system and Windows-based software.

Course Duration & Support:

Students may register at any time. The courses are designed as self-study courses but if you have any problems you can email our email support. As the course is self study you can complete in as little or as long a time as you prefer, and we do not impose a cut-off date for study.

Assessment:

Assessment for the A+ Certification Course is from the A+ Certification 220-701 and 220-702 Examinations. Assessment is from the Network+ Certification 220-701 and Examination. Examinations are in a multiple choice/multiple answer format.

Qualifications:

On Completion of the A+ Certification Courses, you can apply for your **internationally recognised A+ 220-701 and 220-702 Examinations.**

Examinations must be sat at a registered Prometric or Pearson VUE testing centre and are currently £114.00 + VAT each.

On completion of the Network+ course, you can apply for the Internationally Recognised **CompTIA Network+ N10-004 Examination.**
