

CIW MASTER DESIGNER PLUS COURSE BUNDLE

Distance Learning Centre is proud to be an official partner of Official Certified Internet Webmaster (CIW) Certification Courses.

CIW has emerged as the leading job-role certification in the UK because it demonstrates an individual's competency in Internet industry standards, concepts and best practices, and provides familiarity with leading hardware and software applications.

The CIW program teaches Internet skills and job roles necessary to perform critical Internet tasks from basics to higher level programming and e-business technologies. The Official CIW Self Study Suites are a convenient learning tool for individuals who do not have the flexibility to attend traditional classroom training.

Master CIW Designers develop and maintain Web sites using authoring and scripting languages, create content and digital media, and employ standards and technologies for both business-to-business and business-to-consumer e-commerce Web sites. Master CIW Designer certification can lead to a successful career as a Web designer, creative director, Web marketing/ business specialist or art director. Candidates must pass three required CIW exams to become a Master CIW Designer.

To become a Master CIW Designer you need to have passed 3 CIW examinations. Candidates must first pass the CIW 1D0-510 exam to become a CIW Associate before completing the Professional CIW Site Designer 1D0-520 and CIW E-Commerce Designer 1D0-525 examinations.

Price:
£1300.00

- Supplemental CD containing appendix files, files for hands-on labs, and other resources for each course.

➤ CIW FOUNDATIONS 1D0-510 COURSE

Our **CIW Foundations Course** enables you to become a CIW Associate. CIW Associates have mastered the fundamental knowledge and skills required to work in an Internet technology-enabled environment. These foundational skills include basic knowledge of Internet technologies such as Web browsers, FTP and e-mail; Web page authoring using Hypertext Markup Language (HTML); and basic infrastructure networking.

➤ CIW SITE DESIGNER 1D0-520 COURSE

The **CIW Site Designer Course** and examination validates human-factor principles in designing, implementing and maintaining hypertext-based Web sites using authoring and scripting languages, content creation and management tools, and digital media tools.

The CIW Site Designer Course is half of the CIW Master Designer syllabus but can be used as a single CIW Professional level qualification.

The course covers advanced HTML, XHTML, JavaScript, DHTML, CSS and XML Programming languages as well as industry standard applications such as Adobe Dreamweaver CS4 and Adobe Flash CS4.

➤ CIW E-COMMERCE DESIGNER 1D0-525 COURSE

The **CIW E-Commerce Designer Course** and examination focuses on standards, technologies and practices for both business-to-business and business-to-consumer e-commerce models.

This certification addresses relationships among marketing, promotion, customer service, user interaction, purchasing methods and secure transactions by using SSL and SET, payment gateways, inventory control, shipping and order information, and site performance testing and evaluation.

The CIW E-Commerce Designer Course is half of the CIW Master Designer syllabus but can be used as a single CIW Professional level qualification.

Pre-Requirements:

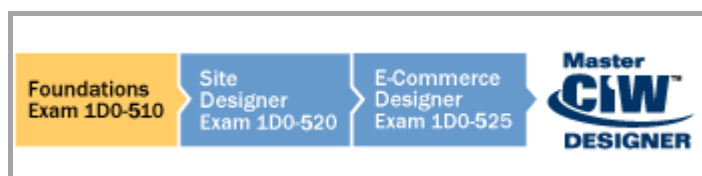

The CIW Foundations course is set out for beginners but we recommend a general knowledge of IT, computers and Internet/Email use. You are required to have passed the CIW Foundations exam before starting any other professional level CIW syllabus.

Course Duration & Support:

Students may register at any time. The courses are designed as self-study courses but if you have any problems you can email our technical support service. As the course is self study you can complete in as little or as long a time as you prefer, and we do not impose a cut-off date for study. We do recommend completing study within a 12 month period as industry recognised syllabus could be subject to changes.

Qualifications:

On Completion of this curriculum, you can apply for the internationally recognised CIW Foundations 1D0-510, CIW Site Designer 1D0-520 & CIW E-Commerce 1D0-525 Examinations. Examinations are currently £89.00 + VAT each. (3 Exam vouchers included in this package).

Exams must be sat at a registered Prometric or Pearson VUE testing centre. You can locate testing centres and schedule appointments on their Websites:

Prometric website – <http://www.prometric.com/>

Pearson VUE - <http://pearsonvue.com/>
