➤ **Unit 7: Working with XML**

The following topics are covered: Using XML and XSLT; and Working with XML data.

➤ **Unit 8: Collaboration & Reports**

The following topics are covered: Collaboration; Site reports; and ACE exam objectives.

Pre-Requirements:

There are no particular entry requirements as the course is set out for beginners although students will require their own version of Adobe Dreamweaver CS4 to complete the course.

Course Duration & Support:

Students may register at any time. The courses are designed as self-study courses but if you have any problems you can email our email support. As the course is self study you can complete in as little or as long a time as you prefer, and we do not impose a cut-off date for study.

Assessment:

Assessment is in the form an Adobe Certified Expert Examination. Examinations are in a multiple choice/multiple answer format and are 90 minutes in length each.

Qualification:

On Completion of Course, you can apply for your **internationally recognised Adobe Dreamweaver CS4 9A0-090 Examination**.

Examinations must be sat at a registered Pearson VUE testing centre and are currently £104.00 + VAT each. You can locate testing centres and schedule appointments on their Website: <http://pearsonvue.com/>.
