### The following courses lead to Open Awards Certification:

**Webmaster – HTML & CSS Course** is a beginner's course, designed for students who are interested in starting a career as a Web Designer or who simply want to build their own personal or a company/organisational website.

On successful completion of this course students will receive our own Webmaster – HTML and CSS Diploma with comprehensive feedback and providing the assignments have been completed to the required standards students will also receive an Open Awards Level 3 Certificate Award with 8 Open Awards Credits.

**Webmaster – JavaScript Course** has been designed to introduce students with a working knowledge of HTML to the fundamentals of JavaScript (an object-based, event-driven Web programming language), which tightly integrates with HTML.

On successful completion of this course students will receive our own Webmaster – JavaScript Diploma with comprehensive feedback and providing the assignments have been completed to the required standards students will also receive an Open Awards Level 4 Certificate Award with 9 Open Awards Credits.

**Webmaster – Responsive Web Design Course** has been designed for students with a pre-existing knowledge of HTML and CSS and will show how responsive web design (RWD) can be used to build stunning responsive websites which allow optimal viewing and interaction experiences using the very latest HTML5 and CSS technology.

On successful completion of this course students will receive our own Webmaster – Responsive Web Design Diploma with comprehensive feedback and providing the assignments have been completed to the required standards students will also receive an Open Awards Level 4 Certificate Award with 9 Open Awards Credits.

### Open Award Level Descriptors and Credit Values:

The level of the learning is similar to the level of study needed for other courses and qualifications. Credits can be awarded at 4 different levels. The level given on the certificate for each unit you have achieved shows the stage you have reached in your learning. A credit is a way of measuring and valuing your learning. One credit represents 10 hours of notional learning time. A short course may consist of one or two credits, whereas a longer course may offer 24 or more credits

<b>LEVEL THREE</b>	Is comparable to working at NVO3 or AS and A Level.
<b>LEVEL FOUR</b>	Comparable to working at NVO4 or HNC.
