The course has been endorsed under the ABC Awards and Certa Awards Quality Licence Scheme. This means that Kendal Publishing has undergone an external quality check to ensure that the organisation and the courses it offers, meet defined quality criteria. The completion of this course alone does not lead to a regulated qualification\* but may be used as evidence of knowledge and skills gained.

The Learner Unit Summary may be used as evidence towards Recognition of Prior Learning if you wish to progress your studies in this subject. To this end the learning outcomes of the course have been benchmarked at Level 3 & 4 against level descriptors published by Ofqual, to indicate the depth of study and level of demand/complexity involved in successful completion by the learner.

Information on level descriptors can be found on the Ofqual's level descriptors page. We provide a link to this on each course page of our website.

The course itself has been designed by Kendal Publishing to meet specific learners' and/or employers' requirements which cannot be satisfied through current regulated qualifications. ABC Awards & Certa Awards endorsement involves robust and rigorous quality audits by external auditors to ensure quality is continually met. A review of courses is carried out as part of the endorsement process.
